EICHIRO ODA

There's a type of seedless grape that you can eat whole, skin and all. There's nothing that can make me happier than this. I love them. I love seedless watermelons and seedless persimmons. Let's keep this up and make shell-less crabs or shell-less shrimp! I can eat them whole! Boneless fish sounds good too. Those tiny bones jab the insides of my mouth from time to time, so boneless eels might be nice. But there is one thing I don't want. A manga-less life! Okay, volume 56 is starting now!

-Eiichiro Oda, 2009

Eiichiro Oda began his manga career at the age of 17, when his one-shot cowboy manga **Wanted!** won second place in the coveted Tezuka manga awards. Oda went on to work as an assistant to some of the biggest manga artists in the industry, including Nobuhiro Watsuki, before winning the Hop Step Award for new artists. His pirate adventure **One Piece**, which debuted in **Weekly Shonen Jump** in 1997, quickly became one of the most popular manga in Japan.

A: SBS ♡ is ABOUT to start! ♡ Teehee! ♡

Q: This is about the miracle worker of the drag queen world, Emporio Ivankov. Are those eyelashes his own, or are they attachments? Since he does Death Winks, does he put on three layers of mascara? (By the way, even if I put on two layers and use attached eyelashes, I still can't make my winks that strong.ಘ)

--I ♡ Odacchi *ε*

A: Those eyelashes are 100% home-grown. I get letters asking if Death Wink uses Haki, But no. It's simply a Blast of wind that occurs when he Blinks.

Q: Help me, Odacchi! I'm studying for my entrance exams, but I just can't concentrate! Say something to get me motivated! Seriously! Say something to all students around the country! I guess this isn't a question.

--Potechin

A: Let's read some manga! Let's watch some movies (Strong World)! And then study a lot! You know what they say about people who chase after two rabbits? But I say, catch them both!

Q: I want to go to Disneyland! (ゝ・3・ゝ)≡
--Take me there, Odacchi♡

A: All right! Let's go ride the Blue Mountain! (Wait, that's the name of the coffee.)

Q: Hello, Mr. Oda! I discovered something about Saldeath! In the scene when he first appears in volume 54, the spear that he carries has black holes set apart in regular intervals! And when we read on, in the panel below the part where it explains Mr. 2's powers, it shows Saldeath holding his spear to his mouth! That means that Saldeath's spear is also some kind of flute and he uses it to play tunes when controlling the Blugoris!

-- "Morning Musume are the Cutest Ever"

A: Yup. I'm surprised you found this out. I didn't want to spend too much time in the Battle or else the story would be at a standstill. So those kinds of details end up being pushed into the corner! That's right! Saldeath's spear is also a flute that controls the Blugoris!

Q: I have a question for you, Odacchi. Why do all the inhabitants of New Kama Land wear fishnet stockings? Do you like fishnet stockings, Odacchi? Please tell me.

--Mosako

A: Do I like them? I wear fishnet stockings with a fur coat and nothing else when I draw my manga. As for the reason why the people of New Kama Land wear them, it's because the fishnet stockings were there. It's kind of like how a mountain climber climbs because the mountain is there.

Q: Does Old Lady Nyon have a double butt chin?

--Gon-chan

A: You're right! It's a double chin just like Franky! I wonder if she can shoot out Coup de Vent!

Q: Mr. Oda. On the cover of volume 54, you said that people can normally live up to 140 years. Is Dr. Kureha all right?

--Dummy

A: Well, hmm. Wasn't she 139 years old? Well, 140 is about the max for normal folk, but she's a "super-human." An elderly person that will die in a year usually doesn't walk around with her belly exposed in the middle of snow.

I just noticed this, but you always listen to your readers,

Q: Odacchi. So how about a "New Character Design Contest" or a "The Devil Fruit that I came up with!" type of thing? As for me, well... How about a Diarrhea-Diarrhea Fruit or Poo-Poo Fruit? A person that will never be constipated thanks to the Poo-Poo Fruit!"

--Scorpion Woman

A: No! That's nothing but a normal healthy person! And about that contest, I probably won't be doing it. I don't need it. This might seem a bit cold on my part, but I don't want anybody else's ideas. My editor at Jump changes from time to time, but the first thing I always say to my new editor is "Do not give me any of your ideas." I want to say that all the characters and story are something that I came up with myself. If I started relying on one person, I would end up doing it again with another person. And if I messed up, I might end up blaming that person. If it goes well, it's thanks to me. If it flops, it's my fault. That's something I like. Oh, but there are ideas I want that aren't related to the main story. The cover art of members of the Straw Hat Pirates together with animals. I want ideas relating to that. If you send me letters with stuff like "Draw this character doing something with this animal" then I'll gladly draw it.

Q: One thing that got my attention is the fourth panel on page 5 of chapter 526. Luffy didn't come out of Hancock's cape! He came out from under her skirt! What really happened?! I was so preoccupied with this that I answered "Lagoon" as "Laboon" on my geography test! It's all your fault!

--Sanctuary inside the Skirt ♡

A: I can't really take responsibility for your test results, But yes, Luffy was hiding not inside the cape, But under the skirt. Well, he was inside that Chinese dress, to be exact. If he didn't do that, they could just turn over her cape and find him there. He was GRABBING onto Hancock directly under her clothes. Hey! Hey! It's nothing weird like that! Geez! The two of them were in a serious situation! If they'd found him, it would have cost lives! Whoops, now I have a nosebleed.

Q: If you cross a raccoon dog and a reindeer, you get Chopper?
--Sugacchi

A: Yes. What? This nosebleed? I just, uh, tripped. Yeah, I tripped earlier.

Q: Master Oda. Knowing you, you'd probably respond with "Yes, one of the guard's rooms was nearby and the prisoner's personal belongings were kept there. He dropped by that area to grab his clothes and cigar. As expected of Crocodile, what a guy, always caring about his fashion." But I will still ask you this. In chapter 540, Crocodile was still wearing his prisoner's uniform, but why was he in his usual clothes with a cigar in his mouth when he appears next?

--Bluebeard

A: You already know most of what's going on! But I'll still answer you. There is a place where they keep the personal belongings of the prisoners. Because the people of Kama Land keep going there to steal more clothes, Kama Land is filled with all kinds of outfits; that includes cigars and whatnot. I skipped the part where it shows that, But Luffy and that group stopped by Kama Land, so he took someone's clothes there. As expected of Crocodile, what a guy, always caring about his fashion.

WASN'T IT OBVIOUS?

WHITE-BEARD AND THE NAVY ARE ABOUT TO GO TO WAR!!

FORGIVE ME FOR NOT INTRODUCING MYSELF SOONER.

AFTER WE PASS THROUGH THE GATES OF JUSTICE, THERE ARE ONLY TWO PLACES WE CAN GO--NAVY HEADQUARTERS OR ENIES LOBBY.

WHAT?!

NOT VERY SHARP ARE YOU?

WHAT?! NAVY HEAD-QUARTERS?

RIGHT NOW, WE'RE ON THE GOVERNMENT'S PRIVATE SEA ROUTE, THE TUB CURRENT.

ANYWAY, THE WHOLE PURPOSE FOR THE BREAKOUT WAS TO ALLOW US TO FIGHT IN THIS WAR.

A: Yeah, I guess. It's filled with dreams by the name of ambition.

Q: Nice to meet you, Mr. Oda. I have a question. If *One Piece* took place in the real world, where would each of the Straw Hat Pirates be from?

--Michale Jackson's Brother

A: I didn't really put too much thought into this, but this would fit with their images.

Q: Iva's Death Wink creates some really weird sound effects. Tell me how I'm supposed to say them! ♥

--Muffy the Straw Hat

A: You sure got a sharp eye there. I gave it that particular sound effect because no ordinary sound effect could completely express what a powerful blast it is.

Sometimes, I forget about it when

drawing the drafts, but I always end up adding it back in.

Say it with me, everybody! Blinkity Blink! Anyways, that's it for this volume's Question Corner! The voice actor Question Corner will also be taking a break this time around. See you next volume!

 中身がダメでは、関わってくれた人々みんなで大恥かいて終わりですよ。

S: そこから!

O: そうですね。僕なんか子供の頃、一緒じゃなかったって思ってたよ?

S: んー、そうだな。まず、準備期間が長いでしょ。という事は裏設定
なんかまで、よりしっかりと作り込む時間があるという事です。

O: じゃあ作品の端々まで楽しんじゃってよーみたいな事です。

S: そう。製作時間も長いから、1シーン1シーンに手間をかけられるんで、
細かい芝居なんかを作り込めたり、背景の密度もかわってきます。
関わるスタッフの数も倍以上いますからね。

O: 動画枚数ってやつが違うんでしょ!? あの1秒間に3枚より6枚描く方が
断然いい動きになるとかってやつ。

S: うん。動画枚数は映画の方が勿論増やせますけど、今回は特に、例年の比じゃ
ないくらい枚数は増えてるんすよ。作画監督の佐藤さんの絵にも何ていうか
「華」があるし、上がって来る映像に、スタッフみんなが毎回、手応えを
感じてたって状態だねー。おれ達スゲー/ みたい。

O: 最高っすねそりゃ!! あーコレ観に行っちゃうわ…鼻血出てきた。

S: あんたコッチ側でしょ。

O: あ、そうでしたコッチ側だ。観客になっちゃった。

S: 後は映画と言えば映画館の大画面は勿論、音響かなー。

5.1チャンネルの音響の迫力はぜひ映画館で聴いてほしい。

O: ご家庭じゃムリですからねアレは。後ボツコーンとコーラね。
じゃあ境オヤビン! 監督として最後に何か言ってください。

S: とにかくこの「STRONG WORLD」に自分の演出家人生で得た力を
全部出しました/ そして自分が思う、今の原作ONE PIECEを
思いっきり表現しました/ ぜひご覧下さい!!

今日のゲストは製作総指揮役の尾田栄一郎さんでした!

O: どうも、ありがとうございました!! 逆だよ!!

O: はい、どんどん続けますよ。

今度は映画の裏側のお話を
しましょう。僕の名前が出るからには、
今までの映画と明らかに違うものを
作らなきゃなりません。今回は
東映アニメーションという会社の
垣根を飛び越えて、さまざまな
ジャンルのエキスパート達を
引き込んでおります。絵柄は原作に
徹底的に合わせて貰いました。

さらには映画製作期間をいつも以上に
引き延ばし、作画・色彩・背景・絵に関する
全てをじっくり描き込んで貰っています。
他にも力を入れた部分は多々ありますが、
この辺で切り上げて、今回みなさんに紹介
したい、この映画に1番大事な人がいるの
です!!

さかい むね ひさ かん とく 境★ザ★宗久監督!!

この映画に僕が関わる事になった時、1番始めに言ったわがままは、
監督は境さんじゃなきゃいやだー。です。何といてもこの人と僕はもう
10年来的つき合いで、ONE PIECEアニメ立ち上げから
テレビアニメ監督の1人として作品を支えてくれた人物であり、
更に何巻かで紹介しましたザ★宇田鋼之介・初代・総監督の後を継ぎ、
二代目テレビアニメ総監督を務めてくれていた所をこのSTRONG WORLDに

引き抜いちゃったというわけなのです。
明らかな実力者で、何より、ルフィ達のキャラクターを
よ〜く理解してくれています。
ぱっと思い浮かぶテレビアニメにおける
境さんの名演出の回といえば、
チョッパー編でのラスト、桜が咲く回の演出、
そしてエニエス・ロビーでのルフィギア2、初披露の
回は超カッコよかった。
他にも数々の名演出をやってくれましたが、
つまり、感情、の演出も「アクション」の演出も
幅広く表現できる信頼の男なのです!!

皮ごと食べられる種なしぶどう
 っていうのがあるんですよ。
 こんな幸せな事はない。大好きだ。
 種なしスイカとか種なし柿も幸せだ。
 この調子で殻なしカニとか殻なしエビなんて
 できたらもう丸かじりだ。
 骨なし魚もいいね。時々、口の中で刺さるから
 骨なしうなぎも嬉しい。
 だけど、こんなのはやだな。
 漫画なし人生。

ハイ56巻!! 始まるよ——っ!!!
